Dalkey 1745

### THE QUEENS PALE ALE

Dalkey Heritage 1745 Pale Ale is brewed with Pale Ale and Vienna base malts along with two different crystal malts which give it its deep colour and subtle biscuit, caramel flavour. We've then used German Magnum hops, known for the exceptionally clean, bitter finish that they impart. We finish it off then by dry-hopping with American Mosaic, Simcoe and Citra, three of the most sought-after aroma hop varieties, this gives a fresh aroma with notes of citrus and pine.

The result is a well balanced, 4.5% ABV Pale Ale, amber hues with citrus and pine aroma and a subtle malt flavour
